# Together, Assisting Generously Org – Now and beyond.

## TAG MISSION:

- To be able to assist any individual if need be wrt nourishment.
- Enhance community development (basic plumbing skills/motor repairs).
- Enhance academic results and skills for able candidates (tuitions).
- Provide overall support to ensure growth (coaching/mentoring).

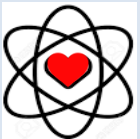

**TAG VISION:** To ultimately be the Non-Profit Organisation people know they can turn to for hope, support and growth – resulting in improvement in community up-liftment & confidence (to boldly go where no NPO has gone before).

**STRATEGY:** Reduce hunger in our and surrounding communities, ensure learners don't go hungry (hungriness reduces concentration). Provide learner support wrt tuitions (better chances into tertiary institutions-increased job opportunities). Long term skills development for potential individuals.

**TACTICS:** Provide nourishment (meal distribution and hampers). Learner tuitions for potential candidates. Clothing distribution. Working with other community organisations to assist if need be (currently community food pantry). Skills development (long term).

## **Together, Assisting Generously Org Values:**
